

Welcome inPOWER 2023 Attendee's!

We are excited to introduce our new event application this year, Nunify. Follow the tips below to get started.

Step One: [Download Nunify](#)

The screenshot shows the app's main interface. At the top left is a red square icon with a white stylized figure. To its right, the text reads "inPower/EIUG 2023 Conference App" and "Mon, 11th Sep 2023 08:00 AM". Below this is a white box titled "Get it on your phone" with two steps: "1. Download nunify" and "2. Enter this app code, or scan the QR code using nunify". Step 1 includes "Download on the App Store" and "GET IT ON Google Play" buttons. Step 2 displays the app code "INPOWER2023" with a "(SHOW QR CODE)" link. To the right of the white box is a large white rounded rectangle with the app icon and title, and a smartphone icon to its right. At the bottom right, a tip states: "TIP: Download your inPower/EIUG 2023 Conference App prior to arriving in case of spotty WiFi. Your app works both online and offline".

OR

Scan the QR Code:

Step Two: Create your Agenda

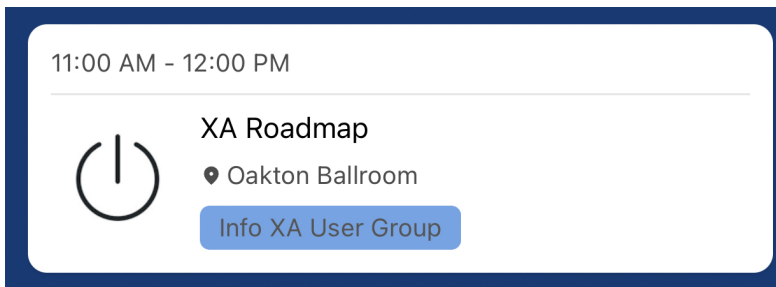

1. Open inPOWER/EIUG 2023 Conference Content

2. Select "Sessions Tab"

3. Open desired session

4. Select "Yes" for Remind Me (This is how you RSVP to the session & you will receive a push notification 15 minutes before the start of the session)

When you see the green banner, you have RSVP'd!

Remind Me

Yes No

5. Use the Funnel Icon to help you filter sessions and select "My Sessions" to see your full agenda.
